Attempted Residential Burglary 2013-23261

On 12-23-13 at about 12:30 pm Safeguard Security received a residential burglary alarm on a master bedroom door to a home they monitor in the 4600 block of E. Foothill Drive. Safeguard Security responded at about 12:35 pm and began checking the exterior of the home. While checking the home the Safeguard Security Officer found a master bedroom screen door to the residence that had been cut. Safeguard Security then called the Paradise Valley Police Department and requested Police Officers respond. Paradise Valley Police Officers arrived at 1251 hours and searched the home. No suspects were located, and the homeowners were then contacted and returned to the residence. The homeowners stated they normally do not lock the master bedroom door, and typically leave the door cracked open for ventilation. The homeowners then checked their home but were unable to find anything missing.

There is currently no suspect information available. If you have any information regarding this crime please contact the Paradise Valley Police Department Crime Stopper number at 480-948-7410.
