Residential burglary 2014-3347

On 2-17-14 at approximately 3:56 pm, Paradise Valley police officers responded to the 5300 block E McDonald Drive for a delayed report of a residential burglary. Homeowners stated the property is under construction and on 2-14-14 the construction crew were the last to see the property intact. The next morning, 2-15-14, upon the construction crew's return they noticed the fencing around the home was removed. Several doors were opened but the crew did not enter or call police. Once the homeowners returned to the property on 2-16-14 they noticed 2 mountain bikes and other property taken from the interior of the residence. A canvass of the area was completed but could not locate any additional information.
