Residential burglary and arrest 2014-18095

On 8-28-14 at approximately 9:23 pm the Paradise Valley Police Department was dispatched to the 6300 block of N 38th St for a residential burglary in progress. The homeowner described the white male inside his residence wearing only jeans and no shirt. The suspect fled the scene as the officers arrived in the area. The suspect was located in the area of E Lincoln Dr and N Palo Cristi Rd hiding behind an air conditioning unit. The suspect, Christopher Fulton DOB 8/26/69, was positively identified by the homeowner as being the person inside his residence. The suspect was transported to the police station for processing.

Officers processed the residence and it does not appear at this time anything was taken. A canvas of the area was conducted and it does not appear there are other victims.

Once at the station, the suspect stated he was extremely high on methamphetamines and had been drinking vodka earlier in the evening. The suspect started splashing himself with toilet water to try and cool off, becoming very sick. The Phoenix Fire Department was called to check on the suspect at which point they stated the suspect needed to be transported to the hospital due to an accelerated heart rate and the combination of drugs and alcohol in his system.

Charges are pending.
