Death Investigation 2014-27864

On 12-21-14 at 7:19 pm the Paradise Valley Police Department received the call of a possible drowning at a residence in the 6900 block of E. Montebello Avenue.

The Paradise Valley Police Department and Phoenix Fire Department responded and found the 86 year old female homeowner deceased in the pool.

The reporting party was a neighbor who had last seen the decedent around 9:00 am this morning. The neighbor received a phone call from the decedent's child tonight stating they had not been able to reach their mother and asking the neighbor to check on her. This appears to be an accidental drowning. The Paradise Valley Police Department's General Investigations Bureau will be responding to conduct the death investigation. No further details will be available until after confirmation the next of kin has been notified and the initial investigation is completed.
