On April 27th, 2015 officers were dispatched to the 7500 block of North Eucalyptus for a residential burglary. The mail carrier found a broken window at the residence. Police found the homeowners present who indicated that they were aware of the damage but didn't notify police. They further reported that it appeared nothing was missing. Police did find a footprint on the floor beneath the window. After speaking with neighbors, it is believed that the event may have occurred on April 26th between 3 and 3:30pm.
