Attempted Burglary 2015-14633

On August 19th, 2015 officers were dispatched to the 6600 block of E. Stallion for an attempted burglary at a residence under remodel. The caller stated that someone had attempted to gain entry by kicking in the service door to the garage and by prying off the master bedroom exterior door knob. The suspects were unable to gain entry and the victim only suffered property damage. Responding officers noted that the home's electrical power had been turned off at the breaker panel. The home did have video surveillance and unknown individuals were captured by the video system on the property early in the morning. That video will be turned over to police as evidence.
