Residential Burglary 2015-15251

On August 29th, 2015 officers were dispatched to the 5800 block of N. Monte Vista for a burglary alarm. Responding officers found the front door standing open and conducted a search of the residence and property and found no one present. It appears that initial entry to the home was made by forcing open a rear door. It also appears that the offender(s) may have gotten away with small items before leaving knowing they had activated the home's alarm.
