### Arrest Made in Trafficking of Stolen Property 2016-1419

On January 13, 2016 a business in the 6400 block of Doubletree Ranch Rd. reported additional items missing after a theft had been discovered late in December. In the December case, an officer discovered the theft when he located a subject and stolen property near-by. Evidence at the scene tied the subject to the stolen property. Subsequently the subject, Troy D. Reece, was charged with the theft and given a court date. When Mr. Reece did not appear, a warrant was issued for his arrest.

Mr. Reece became a person of interest when additional items were found to be missing; however detectives were not able to locate him. In late May, Mr. Reece was taken into custody but was able to bond out of jail before Paradise Valley Detectives could interview him.

On June 3<sup>rd</sup>, detectives learned that Mr. Reece was trying to sell items on a social networking app. Detectives were able to get pictures of those items and they were identified as the same items that were reported stolen on January 13<sup>th</sup>. Contact was made with Mr. Reece and a meeting was arranged in Phoenix under the pretense of purchasing those items. When Mr. Reece arrived, he was taken into custody without incident. In the back of Mr. Reece's vehicle were the items that were stolen months before. Detectives will be obtaining a search warrant before completing a more thorough search of the vehicle and its contents.

Mr. Reece was charged with three (3) counts of trafficking in stolen property and booked into MCSO's 4<sup>th</sup> Ave. Jail.
