DEATH INVESTIGATION 2016-20726

On July 14th, 2016 at approximately 9:59 am Paradise Valley police was dispatched to a residence in the 7100 block of East Caballo Circle for a welfare check. Officers met the caller at the residence who stated the homeowner did not show up for work and wanted to check on the status of the homeowner.

Officers opened the front door to check the premise at which point they heard a single gunshot coming from one of the rooms. Officers quickly exited the residence and called for additional units to respond and to set up a perimeter.

Officers re-entered the home with ballistic shields and cleared the home, locating the homeowner in the master bedroom with what appeared to be a single gunshot wound to the head. Scottsdale Fire Department and the paramedics were staged around the corner and asked to respond. The 56-year old homeowner was pronounced deceased at the scene. The name will not be released until the family has been notified.

Paradise Valley police officers did not discharge any firearms. Witnesses, neighbors and officers are all safe.
