Burglary - Residential 2016-27227

On September 4, 2016 at 1630 hours, the Paradise Valley Police Department responded to a window alarm in the 5700 block of E Sanna St. Upon arrival, officers discovered a shattered bathroom window with the window completely removed from the house. Officers cleared the residence, found no one inside, and were unable to determine if any suspect(s) entered the residence or if any property was missing. The alarm was active and sounded loudly when officers cleared the residence. Patrol officers canvassed the area and processed the scene for evidence.

The Paradise Valley Police Department's Criminal Investigations Unit (CIU) will be following up on this crime. Locking your doors can prevent a burglar from gaining entry to your home. Using alarms usually reduces the amount of time burglars are inside your house and the amount of property they have time to steal. It also causes intruders to rush, which often leads to mistakes and additional evidence left, enhancing the chance of catching the suspect and recovering any stolen property.

If you have any information regarding this burglary, please call the Paradise Valley Police Department at 480-948-7410. Please do not hesitate to call the police if you see anything suspicious in your neighborhood. The emergency number is 911 and the Paradise Valley Police Department crime stopper is (480) 948-7410 for any other types of call.

Please remember to close your garage when not in use, lock your doors, and set your alarm. Motion and glass break sensors are an extremely important part of any alarm system.
