## Paradise Valley Water Main Installation

A new water main is being installed along two miles of Lincoln Drive, from 36th Street to Desert Fairways Drive in the Town of Paradise Valley. The project will increase water capacity by nearly 3 million gallons per day, and provide a second water source for a portion of EPCOR's Paradise Valley water system. Work began in May 2019 and is expected to be completed by late Fall 2019.

### Special Notice of Tatum/Lincoln Intersection Restrictions Starting Thursday, August 1, 2019.

- Two lanes north and south on Tatum Blvd
- One lane east and west on Lincoln Dr (North side of Lincoln Dr)
- No left turns

Work hours are 6 am – 3 pm  
Monday through Friday  
with possible weekend work.

We recognize this work may cause temporary inconveniences, and we're completing it as quickly and safely as possible. Please contact us should you have any questions or concerns. **Questions?** Call 1-800-383-0834 and press 4 to speak to a team member.
